Guidelines and Safety Tips

1. Never attempt to clear debris from a drain or culvert if there is moving water or water is higher than knee deep.
2. Always check for traffic before entering the street or road.
3. Wear your yellow safety vest.
4. The best times to clear your drain are just before and after rainstorms.
5. Separate out any debris that is not yard waste, such as cans, cardboard, etc.
6. Bag all materials in the bags provided and notify the DPW who will pick up your bag(s).
7. Report any problems with the drain and pollutants flowing into the drain to the DPW.
